Dear Fellow Dancers,

### 6<sup>th</sup> ICDF CONFERENCE "INTO ALL THE WORLD" DVDs

Blessed New Year Greetings from the Christian Dance Fellowship Malaysia!

This year, we wish all a very pleasant and quality time spent with loved ones, family members, friends and church-mates, and praying that God will set your feet dancing till His soon return and for His Glory.

CDFM took a long break to recuperate from the Malaysia conference last July. We praise God for a fantastic and successful ICDF Conference at the Genting Highland Resorts. Hopefully, the conference have created good and lasting memories; and inspired you to move forward "Into All The World" through your multiple talented gifting and unto greater heights in your dance and creative arts ministry.

With this, CDFMalaysia would like to inform you that the conference DVDs had been fully edited and ready for delivery now. We want to thank you for the enquiries, and patience for waiting for this resource to be made available to you.

May you be blessed with a heart of thanksgiving, an unwavering faith, vision and passion to network together as one global body and to dance for Christ till He comes.

Have a great 2007!

By His Divine Grace,

**REV KAREN LIEW**  
National Coordinator
